### *CES Helpful Hints*

1. *Bill must show:*

- *Full-time tuition*
- *All fees*
- *Room/Dorm*
- *Meals*

\*\*2. *If bill shows Health Insurance, contact your college immediately to cancel it. If that charge is not removed, you will have to pay that part of the bill because MHS does not pay for health insurance.*

3. *If bill shows Anticipated Financial Aid, look for all of your expected grants. Check the loan amount to make sure it follows CES guidelines posted at [Responding to your College's Award Letter](#).*
