

Visitors to the William E. Dearden Alumni Campus can take a trip back in time to experience life in a Milton Hershey School farm home more than a half century ago.

Dearden House
 Named in honor of the late William Dearden '40, former president of The Hershey Company, provides a glimpse of MHS residential life in the 1950s and 1960s. The restored and renovated home includes special displays, artifacts and videos.

Friendship Garden
 Pays tribute to all MHS graduates and features the names of all alumni engraved on granite walls along a brick pathway. There also is an area dedicated to honor the memory of students who passed away while at the School.

Purcell Interactive Learning Center

Focuses on the rich agricultural history of the Milton Hershey School and features several display areas. These areas include several cow replicas, farm memorabilia and several learning areas that include weights and measures and the life cycle of a cow. There are also computer kiosks where visitors can hear alumni share their memories of life on the farm and see old school videos and photos.

Purcell Friendship Hall

Created as a place where members of the School family can hold special events and celebrations and was named in honor of MHS alumni brothers, Richard '61 and Milton '64 Purcell. The Purcell Friendship Hall is used almost daily during the week by MHS for staff training, student events and alumni meetings. Alumni, employees and retirees and members of their immediate family are able to use the facility for private events such as weddings, birthday parties and holiday parties.

Don't miss the opportunity to place an engraved brick memorializing your class, a loved one, a classmate, or friend in the Friendship Garden Memorial. The Friendship Garden is open to all members of the MHS family, including members of the community and others who support the Milton Hershey School mission.

A small brick can be purchased for \$60 and holds up to 45 characters (3 lines each with 15 characters per line) or a large brick for \$115 that can hold up to 90 characters (6 lines each with 15 characters per line). Note: Spaces are considered characters. To order a brick, please complete the attached form and return it along with payment to:

Dearden Alumni Campus
 109 McCorkel Rd
 Hershey, PA 17033-0830
