About the Dick Purcell Spartan Classic

The Dearden Foundation & The Milton Hershey School Alumni Association are pleased to present an exciting new combined golf tournament: **The Dick Purcell Spartan Classic!**

The Dick Purcell Spartan Classic brings together the tournaments previously held separately by The Dearden Foundation and The Milton Hershey School Alumni Association. Instead of attending two separate tournaments, this combined tournament will simplify your support and donation for the same great cause, helping young graduates of the Milton Hershey School. Milton Hershey School strongly supports this combined tournament to help MHS students and graduates.

Dick Purcell graduated from Milton Hershey School in 1961 and passed away in May 2004. Dick and his brother, Milt '64, helped create the Dearden Foundation in an effort to assist young Milton Hershey School graduates. The Dearden Foundation provides scholarships, leadership and character education programs to current students as well as support services to young graduates that cannot be provided by Milton Hershey School.

The Milton Hershey School Alumni Association, over 10,000 members strong, raises funds to provide services and assistance to students and graduates of Milton Hershey School. The MHS Golf program is one of numerous special activities, as well as scholarships that benefit students and alumni.

Funds raised by The Dick Purcell Spartan Classic will assist young graduates in ways Milton Hershey School or parents and sponsors cannot. **Please sign up today to be a part of this great cause!**
